DATE 05/04/2006

Dear Sirs

It is with great pleasure that we write to you today to commend your Company with flying colours.

As a new client of yours we feel that the service given to us by Steve Sherwood was outstanding. He listened to our needs for the Company with regards to Commercial Combined Insurance and kept us informed as to how things were progressing, not once was he pushy to get business from us.

We hope to do many years of business with you

Yours Faithfully

07 APR 2006
