Dear Thadd

May I please take this opportunity to thank you once again for all of your efforts and hard work renewing our insurance policies for the forthcoming year.

Yet again, we at SCA Marine have been extremely impressed with not only this year's premium but with your professionalism and dedication to securing us an even better package than the previous year. The level of service that you have extended to us has exceeded our expectations and for this we are extremely grateful.

We have the utmost confidence in the service provided by M&DH which is why we had no hesitation in writing our business with them, with the added bonus of such a competitive premium as well.

All in all, we feel extremely well looked after by your colleagues and predominantly yourself and look forward to a long and successful relationship with the company.

Many, many thanks.

Yours Sincerely

Andy Hurl  
Finance Manager
